

Minutes of the Meeting of the 5th State Finance Commission, Jharkhand, with Dr. H. S. Gupta, IFS, PCCF (Rtd.), on 02.09.2024 in the Chamber of the Chairman of the 5th SFC (Room No.141, Yojna Bhawan)

1. The meeting was chaired by Sri A. P. Singh, Chairman, 5th State Finance Commission, and participated by Dr. Harishwar Dayal, Member, 5th State Finance Commission, and Dr. H. S. Gupta, IFS, PCCF (Rtd).
2. The issues related with urban ecology, measurement of carbon credit, urban water bodies, agro forestry and plantation of fruit trees were discussed in the meeting.
3. Dr. Gupta said that for carbon credit measurement, the area under forest and density of forest or canopy coverage can be found out from the map of JSAC.
4. Similarly, what has happened to the water bodies and forest cover in the urban areas can also be found out through satellite pictures.
5. Dr. Gupta suggested that a wetland survey should be conducted in the urban areas of the state. The density of population in the urban areas of the state has increased. As a result many of the waterbodies have been encroached. Similarly, because of the excessive extraction of ground water the ground water of many areas has almost dried up. A survey is required to assess the disappearance of water bodies and the status of ground water.
