Sub: The compendium (with orders/Date of letters/resolutions issued by the different 13 departments) related to the devolution of powers to PRI in the state of Jharkhand.

Madam/Sir,

In view of above subject I am directed to inform you that 5th SFC have visited different field offices in the state, and it was noticed that the **district authorities are not aware** of these **delegations of powers** by the different departments and the implementation of these orders are not being reviewed regularly by the district authorities. This is adversely affecting the implementation of government orders and empowerment and participation of PRI in the developmental process of the state. This is being placed on the portal of 5th SFC <https://sfc.jharkhand.gov.in>

So, in view of the above the **scanned copy of the said compendium** is being enclosed for your kind perusal and implementation of the provisions are mentioned in the resolutions of the respective departments. It is also requested to place this compendium on the district portal for wide publicity.

Enclosed: Compendium – पंचायतों को प्रत्यायोजित शक्तियाँ

Yours sincerely,

Kaushal
